MEPC/Circ.436
24 March 2005

**ACCESS TO THE CONDITION ASSESSMENT SCHEME (CAS) DATABASE SET UP
PURSUANT TO RESOLUTION MEPC.94(46), AS AMENDED**

With reference to MEPC/Circ.395, Parties to MARPOL 73/78 are advised that access to the Condition Assessment Scheme (CAS) database set up on 1 September 2002 is now as follows:

URL: <http://gis.imo.org/Members>

Authority : <The respective Party to MARPOL 73/78>

Username: **cas**

Password*: <As previously assigned>

*Note: Passwords are case-sensitive

This change has been necessary following integration of the CAS database in the comprehensive IMO GISIS database environment.

For communication of information to the Organization relating to Statements of Compliance issued and other details in accordance with section 14 of CAS, the model forms attached to MEPC/Circ.395 dated 2 July 2002 are to be used.

Further information, if required, can be obtained from:
