MSC.1/Circ.1164/Rev.8  
8 December 2010

**INTERNATIONAL CONVENTION ON STANDARDS OF TRAINING, CERTIFICATION  
AND WATCHKEEPING FOR SEAFARERS (STCW), 1978, AS AMENDED**

**Promulgation of information related to reports of independent evaluation submitted  
by Parties to the International Convention on Standards of Training, Certification  
and Watchkeeping for Seafarers (STCW), 1978, as amended, confirmed by the  
Maritime Safety Committee to have communicated information which  
demonstrates that Parties are giving full and complete effect to the  
relevant provisions of the Convention**

1 The Maritime Safety Committee (MSC), at its seventy-seventh session (28 May to 6 June 2003), seventy-eighth session (12 to 21 May 2004), seventy-ninth session (1 to 10 December 2004), eightieth session (11 to 20 May 2005), eighty-first session (10 to 19 May 2006), eighty-second session (29 November to 8 December 2006), eighty-third session (3 to 12 October 2007), eighty-fourth session (7 to 16 May 2008), eighty-fifth session (26 November to 5 December 2008), eighty-sixth session (27 May to 5 June 2009), eighty-seventh session (12 to 21 May 2010) and eighty-eighth session (24 November to 3 December 2010) received reports by the Secretary-General pursuant to regulation I/7, paragraph 2 of the International Convention on Standards of Training, Certification and Watchkeeping for Seafarers (STCW Convention), 1978, as amended, related to the reports of independent evaluation carried out pursuant to regulation I/8, paragraph 2.

2 The Committee noted that, in preparing the reports required by STCW regulation I/7, paragraph 2, the Secretary-General had solicited and taken into account the views of competent persons selected from the list established pursuant to paragraph 5 of section A-I/7 of the STCW Code and circulated as MSC/Circ.797, as revised from time to time.

3 In accordance with STCW regulation I/7, paragraph 3, the Committee confirmed that the STCW Parties, listed in the Secretary-General's report, which had communicated their report of independent evaluation pursuant to regulation I/8, paragraph 3, demonstrated that they were continuing to give full and complete effect to the relevant provisions of the STCW Convention, 1978, as amended.

4 The list in the annex contains those STCW Parties, confirmed at various sessions of the Committee to have communicated information pursuant to regulation I/7, demonstrating that they were giving full and complete effect to the relevant provisions of the STCW Convention and indicating:

- .1 due date of report of independent evaluation;
- .2 date of report of independent evaluation communicated to the Secretary-General (if applicable); and

- .3 outcome of the process of evaluation of the reports of independent evaluation communicated by the STCW Parties demonstrating that they are continuing to give full and complete effect to the relevant provisions of the STCW Convention.

5 The Committee noted that, as the process of communicating and evaluating information related to reports of independent evaluation is continuing, the list in the annex may be updated at subsequent meetings.

6 The Committee draws the attention of maritime administrations, shipowners, ship operators and managers, ship masters and other parties concerned to the following:

- .1 not all of the STCW Parties listed in the annex provide seafarer training, and some of those Parties listed may only provide a limited range of training; and
- .2 the fact that a Party is listed in the annex does not relieve those concerned of their obligations under the STCW Convention.
