**IMPLEMENTATION OF ASSEMBLY RESOLUTION A.747(18)  
ON APPLICATION OF TONNAGE MEASUREMENT OF  
SEGREGATED BALLAST TANKS IN OIL TANKERS**

The Secretary-General has the honour to refer to resolution A.747(18) by which the Assembly of the Organization adopted a Recommendation concerning tonnage measurement of segregated ballast tanks in oil tankers.

The Secretary-General has the honour to transmit herewith a communication received from the Government of Romania regarding the implementation of the above recommendation.

## EMBASSY OF ROMANIA

No. 3840

The Embassy of Romania in London presents its compliments to the Secretariat of the International Maritime Organization and has the honour to communicate that the Parliament of Romania has approved the Law no. 288/14.11.2008 regarding the acceptance of the **IMO Resolution no. A.747 (18) related to the application of tonnage measurement of segregated ballast tanks in oil tankers.**

The Embassy of Romania in London should be grateful if the Secretariat of the International Maritime Organization would confirm receiving the Verbal Note and the date when Romania's decision will take effect.

The Embassy of Romania in London avails itself of this opportunity to express to the Secretariat of the International Maritime Organization the assurances of its highest consideration.
