## **TRAINING AND WATCHKEEPING**

### **List of competent persons maintained by the Secretary-General pursuant to section A-I/7 of the STCW Code**

1 Under the provisions of the revised STCW Convention and the STCW Code, the Secretary-General has been assigned certain functions, particularly with regard to information communicated under article IV and regulation I/7 of the STCW Convention and section A-I/7 of the STCW Code.

2 Among these functions, the Secretary-General is required to maintain a list of competent persons approved by the Maritime Safety Committee, including competent persons made available and recommended by Parties, who may be called upon to assist in the preparation of the report required by regulation I/7, paragraph 2.

3 To this effect, the Maritime Safety Committee, at its sixty-eighth session (28 May to 6 June 1997) approved a list of competent persons to be maintained by the Secretary-General (MSC/Circ.797). At its subsequent sessions, the Committee approved additional competent persons and issued revisions of the circular (MSC/Circ.797/Rev.1 to 20).

4 The attached list has now been updated to incorporate competent persons approved by the eighty-ninth session of the Maritime Safety Committee (11 to 20 May 2011). This list will be expanded and updated at any session of the Committee where nominations are submitted for approval. Reference should be made to Circular letter No.1882 dated 3 April 1996 for the format to be used when submitting nominations that should only be made by Parties to the STCW Convention but may include non-governmental experts in the maritime industry.

5 Competent persons may be identified as having knowledge of the system of training and certification in a country other than the Party that submitted their nomination. As far as practicable, competent persons will not be assigned to panels invited to evaluate information communicated by that country, for the purposes of meeting the requirements of section A-I/7, paragraph 6, of the STCW Code, if that country objects to such appointments.

6 Pursuant to section A-I/7 of the STCW Code, the Secretary-General will call upon individuals identified in the list of competent persons approved by the Maritime Safety Committee to assist in evaluating information communicated by Parties under article IV and regulation I/7 of the STCW Convention, as amended, as well as in the preparation of the report required by regulation I/7, paragraph 2, thereof.

7 Parties to the STCW Convention, which have nominated persons to serve as competent persons, are requested to inform the Secretary-General whenever any of those persons is no longer available to serve in that capacity, so that they may be removed from the list.
