MSC/Circ.942
17 March 2000

REPORTS ON ACTS OF PIRACY AND ARMED ROBBERY AGAINST SHIPS

Annual report - 1999

1 The Maritime Safety Committee, at its sixty-fifth session in May 1995, instructed the Secretariat to issue, as from 31 July 1995, monthly reports of all incidents of piracy and armed robbery against ships reported to the Organization and, in addition, on a quarterly basis, composite reports accompanied by an analysis, on a regional basis, of the situation and an indication whether the frequency of incidents is increasing or decreasing and advising on any new feature or pattern of significance.

2 At its sixty-sixth session in June 1996, the Committee instructed the Secretariat to prepare, after March of every year, an annual summary of all acts of piracy and armed robbery against ships, which had occurred during the previous year and had been reported to the Organization, based on their actual date and time of occurrence.

3 Pursuant to this request, the annex hereto provides information on reports of piracy and armed robbery against ships received by the Secretariat since 1984, when relevant statistics started being compiled and, in particular, those that occurred in the course of 1999 as well as a regional analysis thereof.

4 The number of acts of piracy and armed robbery against ships which occurred in 1999, as reported to the Organization, was 309, an increase of 99 (47%) over the 1998 figures.

5 From the information referred to above, it emerges that the areas most affected in 1999 (i.e. five incidents reported or more) were the Far East, in particular the South China Sea and the Malacca Strait, the Indian Ocean, West Africa, South America and the Caribbean, and East Africa. Over the period under review, the number of incidents reported to have occurred decreased from 38 to 29 in South America and the Caribbean and from 19 to 16 in East Africa but increased from 6 to 37 in the Malacca Strait, from 94 to 136 in the South China Sea, from 25 to 51 in the Indian Ocean, from 22 to 36 in West Africa and from 2 to 4 in the Mediterranean Sea over the 1998 figures. Most of the attacks worldwide were reported to have occurred in the coastal States' concerned territorial waters while the ships were at anchor or berthed. In many of the reports received, the crews were violently attacked by groups of five to ten people carrying guns.

6 From the same information, it emerges that two crew members of the ships involved were killed and eleven wounded during the reported incidents. It has also been revealed that nine ships were hijacked, seven missing and one destroyed.

7 The total number of incidents of piracy and armed robbery against ships, reported to have occurred from 1984 to the end of February 2000, has risen to 1,700.

8 Information on acts of piracy and armed robbery against ships reported to the Organization to have occurred during 1999 has been circulated by means of monthly reports (MSC/Circ.899, MSC/Circ.902, MSC/Circ.904, MSC/Circ.906, MSC/Circ.923, MSC/Circ.925, MSC/Circ.928, MSC/Circ.933, MSC/Circ.934, MSC/Circ.936, MSC/Circ.937, MSC/Circ.938, MSC/Circ.940 and MSC/Circ.941) and quarterly reports (MSC/Circ.905, MSC/Circ.924, MSC/Circ.935 and MSC/Circ.939).

9 The annexes to this document provide a breakdown of the information referred to above as follows:

- .1 annex 1 provides a list of all reported incidents that occurred in 1999 in chronological order of occurrence;
- .2 annex 2 provides a regional analysis of incidents reported to have occurred in 1999;
- .3 annex 3 provides a graphic presentation by location and month of occurrence of the 1999 reported incidents;
- .4 annex 4 provides maps showing the location of reported incidents which occurred during 1999; and
- .5 annex 5 provides a graphic presentation, on an annual basis, of reports received between 1984 and February 2000 based on their time of occurrence.

ANNEX 1
LIST OF ACTS OF PIRACY AND ARMED ROBBERY AGAINST
SHIPS WHICH OCCURRED IN 1999
AND WERE REPORTED TO THE ORGANIZATION
